■ South Pointe – Ocean Drive	Zone 1
■ Flamingo Park	Zone 2
■ Michigan/Lenox	Zone 3
■ Museum District	Zone 4
■ Art Deco	Zone 5

■ Residential Restricted “Flex Zones”

Please honor the Residential Restricted Zones posted regulations; these are tow away zones and are strictly enforced.

- RESIDENTIAL RESTRICTED “FLEXZONES”**
- Several metered areas in the Historic District become residential parking only from 6PM to 9AM - Monday through Friday, and 24 hours on Saturdays, Sundays and Holidays. These “residential restricted flex-zones” are listed below:
- ◆ The following streets from Collins Avenue to Ocean Drive:
 - 8th Street – 11th Street
 - 14th Street – 15th Street
 - ◆ The following streets from Collins Avenue to Washington Avenue:
 - 8th Street – 10th Street

- ADA ACCESSIBLE PARKING**
- ◆ Accessible Parking is provided at all on-street meters, lots and garages.
 - ◆ Do not park in the diagonally striped access lanes, they are for access, not parking and will result in a parking citation or towing of the vehicle.
 - ◆ Display your hang tag permit on your rearview mirror. If not properly displayed, a parking citation will be issued.
 - ◆ There is no charge for accessible parking at all on-street meters.

VALET SERVICE

Valet parking is also available Citywide. Most of the City’s larger hotels, many restaurants and nightclubs offer valet service at their front door. Valet service is also available at the Convention Center; the Jackie Gleason Theater; and Lincoln

Road at Pennsylvania, Meridian and Jefferson Avenues. **Please remove all personal items of value before valet parking your vehicle.**

- RENTAL VEHICLES**
- ◆ Keep your rental agreement locked in the glove box of the rented vehicle. If stopped for a traffic violation, or if towed, you are required to produce the rental agreement.
 - ◆ When visiting a friend or neighbor who lives in a Residential Restricted Zone, you can purchase a maximum two week parking permit for the restricted zone. The resident must accompany you to the Parking Department and show proof of residency. You must bring your car rental contract, or your vehicle registration to have the permit issued to you. The cost of

the Visitor Parking Permit is \$3 per day, for a maximum of two weeks. This permit entitles you to park in the designated residential restricted zone.

PARK AND RIDE SERVICES

Park-and-Ride services are provided for all major events and large trade shows taking place in the City. Contact the City of Miami Beach Parking Hotline at 305-673-PARK for specific information on park-and-ride services.

CAR RENTAL AND ALTERNATIVE FORMS OF TRANSPORTATION:

The Art Deco-Historic District is pedestrian oriented, and cars are not needed to get to most destinations. Parking is limited, and often restricted; therefore we recommend renting cars for day trips outside the City and taking advantage of a myriad of alternative

transportation while staying on Miami Beach. There are scooter rentals, bicycle rentals, and roller blade rentals at several locations in the City.

TAXI SERVICE

Taxi service is available Citywide. Taxis can be called for pick up, or found at taxi zones near hotels, the Jackie Gleason Theater and Miami Beach Convention Center. Service is usually quick and reasonably priced. (See Taxi Guide)

- ◆ State law now allows a police or parking enforcement officer to check the identification of someone using a Disabled Parking Decal. If you are using a Disabled Parking Decal that is not registered in your name, you can be fined up to \$250.00 and have the decal confiscated.

- DISABLED VEHICLE – TOWING INFORMATION**
